♥ Couples In Love

MICHEL & MAYREN GURULE

HUSBAND & WIFE STYLE THE COMMUNITY

THE: When and where did you meet?

♥ We met in 1996 at church,
in La Crescenta.

THE: How long have you been together?

♥ We got married in 1998
in Eagle Rock and have one
daughter, Thalie, who is 12.

THE: Tell us about your local lives.

♥ Family, friends, clients,
community and church are
all very important to us. We
enjoy our time as a family, and
Michel loves golf and tennis.

We love this community and
always seek to give-back by
being involved. As a Master
Stylist/Colorist, Michel was
working in Hancock Park and
we eventually wanted to own
our own salon. We purchased
the Gates Salon here on
Mission Street in San Marino
in 2007.

THE: What makes this street so special?

♥ Mission Street is one of
the most beautiful villages
in the area. Our clientele
come from all over, even
some of Michel's clients
from Hancock Park. People
stroll the street from one
end to another after their
appointments, and it's
fantastic to have so many
other quality merchants and
bistros on our block.
