**Hair Styled:**

Priscilla

**Make-up:**

Naomi

**Hair Colored:**

Julianna

**Photographer:**

Jeff Crooymans

Three different tones were used in this style, giving a dimensional look, rather than a flat traditional highlight. This gives it a much more trendy and natural look. The style is great for keeping it casual but elegant. Take your hair back and roll it into a low bun, securing it loosely with bobby pins. This look is perfect from day to night!

**NAOMI & JULIANNA**
